Student Congratulations
Congratulations to all students, parents and teachers for a magnificent Wakakirri rehearsal day last Sunday! There can be no greater proof of a healthy, active, supportive community working together towards a purpose than what happened on this day. You are all amazing, and I thank everyone of you for the hard work put into what will be, an incredible production!

Staff News
I will be taking leave for two weeks starting Monday 3 August. Mrs Elsinga will be Relieving Principal from 4-7 August and Mr Roberts will be Relieving Principal from 10 – 17 August. Please direct any concerns to them during this time.

Education Week Activities
Our Education Week activities have kicked off to a great start and we thank all parents and visitors for taking the time to visit classrooms and support the Book Fair. Education Week will culminate in our Food Arts Rides Entertainment day on Saturday which promises to be a wonderful community event. Please come along and support the school.

Mon – Fri  Book Fair in the Library
Friday    Centenary of Anzac commemorative Service
Saturday  Food, Art, Rides, Entertainment
**Library News**

As in previous years, we will be holding our annual book fair in the Library over Education Week before and after school from Monday to Thursday. There are some great bargains to be had and you will also be providing the library with the opportunity to build with a new collection of quality books. The library is able to take a 30% commission in new books. We greatly appreciate your support and will take cash or cheque made out to the school. Sorry no EFTPOS

Book Week is coming up on the week beginning 24th August. As part of Book Week we are lucky to have the award winning author Libby Gleeson speaking to the students on Monday 24th and Tuesday 25th August. On Thursday 27th August K-2 will be attending the special Book Week Performance “Shine a Light”. This show brings to life a selection of the Children’s Book Council 2015 shortlisted books. The shortlisted books are now on display in the library. Students will be reading and studying these books during library sessions. Also on display are the fantastic picture books written and illustrated by the Grade 4s. The quality of these books is quite outstanding. Grade 4 will be sharing these picture books with the kindergarten classes over book week.

A final reminder to students participating in the Premier’s Reading Challenge. All entries must be entered online by 21st August. If you are having problems logging on, please send a note with your child to my attention.

Teacher Librarian

**Peer Support**

This week our Peer Support program has started. Every Tuesday, for half an hour, the whole school is divided into small groups led by the Year 6 students through a series of lessons. This year we are covering an Anti-Bullying program that is in conjunction with our anti-bullying policy. Every student should have received a pamphlet outlining our anti-bullying strategy, emphasising that at Gladesville Public School we are committed to providing our students with a safe and secure environment.

Alicia Elsinga  
Assistant Principal
