You can control what happens by following the action plan:

If you are being bullied or harassed in the playground:

- Take a deep breath
- Look directly into the eyes of the person attempting to bully you
- Speak in a firm, clear voice and say loudly “Stop that, I don’t like it!”
- Go directly to your teacher or the teacher on duty if you are in the playground. If the bully attempts to stop you, report what happened.

Any further incidents of bullying or threatening behaviour by the same person may result in him/her:

- Sitting in a time-out area in the playground or classroom
- Being referred to the Learning Support Team
- Discussing issue with the principal
- Having parents contacted by the school and informed of the bullying behaviour.
- Attending programs run by Behaviour Support personal

If you witness bullying behaviour always report it.

Remember …it’s up to you!
Take control of the situation.

When we all work together we create a safe and caring school environment for everyone.
